

# **FIELD ACTIVITIES COMMITTEE**

## Function Statement

October 2012

### **Scope:**

The Field Activities Committee is responsible for arranging birding trips for members and non-members. Currently over 100 trips are conducted every year. Many trips are in the Sacramento area but some go north to Sacramento Wildlife Refuge, east to the Sierra foothills & mountains, south to the San Joaquin River delta, and west to the Pacific Ocean. The Committee is also responsible for Pelagic Trips and Christmas Bird Counts. The Committee recruits and trains new trip leaders.

### **Composition:**

The Committee Chair is a volunteer position. The Chair may recruit additional members for the Committee.

### **Resources:**

1. Over 30 volunteer trip leaders.
2. Pelagic Trips coordinator
3. Christmas Count Compiler and Area Leaders.
