

PROGRAMS COMMITTEE

Function Statement

October 2012

Scope:

The Programs Committee is responsible for arranging presentations at the Monthly General Meetings of SAS. These presentations are generally slide shows on topics that would be of interest to birders, but not necessarily restricted to birding.

Composition:

The Committee Chair is a volunteer position. The Chair may recruit additional members for the Committee.

Resources:

The presenters may be found via the following sources:

1. Past presenters at SAS
2. Presenters at other chapters of National Audubon Society – check their websites.
3. Presenters from California Audubon or National Audubon.
4. Presenters at other similar societies such as Sierra Club or Ca. Native Plants Society.
5. People who have received donations from SAS for studies or projects.
